---

**ORDER**

On January 4, 2007, the plaintiff filed the instant *pro se* action alleging violations of his constitutional rights. (Doc #1). On March 7, 2007, plaintiff filed a letter with the Clerk of Court requesting a motion for injunctive relief. (Doc. #5). This matter now comes before this Court for review of the Report and Recommendation (“the Report”) filed by United States Magistrate Judge Thomas E. Rogers, III, to whom this case had previously been assigned. (Doc. #85). In the Report, Magistrate Judge Rogers recommends that the District Court deem the motion for injunctive relief moot. The plaintiff requested that he be separated from the officers at the Lee Correctional Institute. Plaintiff subsequently informed the Court that he had been transferred to McCormick Correctional Institution. (Doc. #13). The plaintiff filed no objections to the Report.

This Court is charged with conducting a de novo review of any portion of the Magistrate Judge’s Report and Recommendation to which a specific objection is registered, and may accept,

reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. § 636. In the absence of objections to the Report and Recommendation of the Magistrate Judge, this Court is not required to give any explanation for adopting the recommendation. See Camby v. Davis, 718 F.2d 198, 199 (4<sup>th</sup> Cir. 1983).

The Court has carefully reviewed the Magistrate Judge's Report and Recommendation. For the reasons articulated by the Magistrate Judge, it is hereby **ORDERED** that the Magistrate Judge's Report and Recommendation is **ACCEPTED** (Doc. #85) and the plaintiff's motion is deemed **MOOT**.

**IT IS SO ORDERED.**
